

St. Patrick's Festival Relaxed Parade Space Easy Read Guide

Here is an Easy Read Guide which may support you/your family's attendance at the parade.

I am going to the St. Patrick's Day Parade

St. Patrick's Festival

Lots of people visit the parade. They stand or sit and watch the different bands, performers and floats.

I have a wristband.

This means I can watch the Parade in the Relaxed Parade Space.

I (or somebody with me) will show Security my wristband. Security are there to help everyone stay safe at the Parade. They'll be wearing coats like this.

I will go into the Relaxed Parade Space.

There will be lots of other people in the Relaxed Parade Space. They want to watch the Parade too.

I might find the parade noisy. I can use my ear defenders.

I might want to take a break

I can go into the Sensory Break Spaces

I can go and get a drink.

I can move around and stim whenever I need to.
